WINDFORCE 2015

Offshore wind energy is the focus of the eleventh WINDFORCE conference organised by Wind Energy Agency WAB. No other event hosts a greater density of national and international experts in the field. In addition to presentations and lectures, the special side events – the WINDFORCE Party and the WINDFORCE Dinner – have become important occasions for networking.

This year the conference will be enhanced for the second time by the Workboats in Water Show, giving participants the opportunity to tour the vessels used in the offshore wind energy industry.

Take advantage of this high-profile conference to gain comprehensive insight into the offshore wind energy industry and meet decision-makers, business partners and clients at WINDFORCE 2015. We look forward to greeting you in Bremerhaven!

Ronny Meyer
Managing Director, Wind Energy Agency WAB

Jens Eckhoff
Managing Director, Offshore Wind Messe und Veranstaltungen GmbH
